**Please pray for the life of St Benedict's in 2011:** that we will continue to be a friendly, warm (!) church where everyone is welcome, and that more local people will be attracted to God through our life.

**Praise God for the district nurses, Ian Rennie and MacMillan nurses who serve this community, remembering them in our prayers.**

In the beginning:

**All: I danced in the morning when the world was begun**

In the beginning was the Word, and the Word was with God, and the Word was God, He was in the beginning with God.

**All: I was by his side, a master craftsman, his darling and delight, playing in his presence continually.**

What has come into being in him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it.

**All: I rejoice in his inhabited world and delight in the human race.**

The true light, which enlightens everyone, was coming into the world.

He was in the world, and the word came into being through him.

**All: The Lord created me at the beginning of his work and I was by his side, a master craftsman.**

Yet the world did not know him. He came to what was his own.

**All: I rejoice in his inhabited world and delight in the human race.**

And his own people did not accept him, But to all who receive him, who believe in his name, he gives power to become children of God. And the Word became flesh and lived among us.

**All: I came down from heaven and I danced on the earth.**

And we have seen his glory, full of grace and truth.
