**CHILDREN** Our morning groups for children have finished for the summer months. However, there is a table and chairs set up towards the front right hand side of the church as you look at the altar with colouring sheets and pens for children to sit and draw and colour if they wish during the service. Please feel free to take your children to the table and help them settle before returning to your pew. We do not mind you moving around the church with children or them coming back to find you during the service if they finish! There are also toys in cloth bags in a plastic box at the back of the church for children to play with. If your children are very young and need to play and make some noise or you wish to have quiet time with them, you are welcome to take them to the adjoining hall for as long as you need. Children are also welcome to play in the small room adjoining the main hall and enjoy a squash after the service while you enjoy a coffee and chat.

**If you place a cash collection in the offertory plate and are a UK taxpayer, please use the white envelope in the pews adding details of your name, address and post code. The church is then able to claim Gift Aid on your offering.**
