NOTES

1. IF YOU ARE UNABLE TO DO COFFEE DUTY ON THE DATE SHOWN, PLEASE CHANGE WITH SOMEONE ELSE ON THE LIST AND NOTE THE CHANGE IN THE ROTA BOOK, AT THE BACK OF THE CHURCH, ALSO THE LIST ON THE WALL IN THE KITCHEN.
2. Will each team please bring 3 pints of milk. (also a sealed container or flask may be useful when taking home any remaining.)
3. We now have a Coffee Machine and three flasks which are kept in the cupboard under the Microwave, also a plastic jug for (cold) water. It is advisable to make 3 - flasks of coffee prior to the service, as it takes approx. 6-7 mins for the coffee to percolate fully. The coffee in the flasks will remain very hot, for serving later. Sachets of ground coffee and paper filters are kept in the drawer/cupboard under the Microwave.

FURTHER GUIDANCE?

- There is a laminated, illustrated guide for using the Percolator, in the drawer under the Microwave. PLEASE LEAVE THIS GUIDE IN THE DRAWER, AFTER USE.
4. Would you also please make a pot of tea, for those who prefer it.
 5. Orange juice, Instant coffee, Tea, Brown & White sugar and milk powder are on the TOP SHELF of the cupboard, to the right of the sink.

If you have any problems, please contact Olive or Gerald Darvill (K.L.262896)
