

To book your place at the next All Saints Pudding club please email Ingrid [Iruthallen@talktalk.net](mailto:Iruthallen@talktalk.net) (Limited numbers for catering purposes).

For those of you that have never experienced the Pudding club, here is a little bit of history.

#### The Original Pudding Club.

The Pudding club was started in the Cotswold Village of Mickleton in 1985 by a small group of dedicated pudding lovers. They were determined not to let the traditional British Pudding become extinct. On that first meeting the group met for an evening of indulgence where the stars included seven delicious puddings - treacle sponge and jam roly poly were just a few.

How does this work I hear you say?

Guest are invited to enjoy a bowl of soup, then the main business of the event will take place where we will offer five (not the traditional seven) puddings and we will parade them into the hall.

On offer will be favourites like Pavlova and summer pudding plus three others.

Everyone present will be encouraged to try all five puddings and at the end" if there is room can come back for more..." everyone will then vote for their favourite.

To keep the cost down we were asking all attending to bring their own drinks. We will do the rest.
