

School

We have close and positive links with Leverstock Green C of E VC Primary School where we lead weekly Collective Worship and offer curriculum support. The school attends Holy Trinity regularly for its seasonal worship.

Safeguarding

We strive for the highest standards in providing a safe environment for all at Holy Trinity. Those who volunteer to work with children and young people are appropriately trained and DBS checked. Our Parish Safeguarding Officer is Mrs Pauline Lindsey, 01442 269507.

Facilities

Holy Trinity has step-free access, toilets and baby change facilities, and a hearing loop. If you have other needs, please speak to us about how we can help.

Do let us know if you would like to receive regular updates on our children's and young people's activities.

"Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs."

Mark 10: 14

Welcome!

Holy Trinity is a church family that welcomes all God's children. We hope this leaflet will help you find a path for your child(ren) to grow in faith.

Baptisms/Christenings

Lots of families first approach the church to ask for a christening. We're delighted to arrange that, usually on a Sunday at 11.45am. Do pick up the separate leaflet about christenings. It's the first step on a journey of faith. We will support you and your children as you explore God's love.

Toddler Church

Toddler Church is a great start for babies and tots, and a place for parents, grandparents and carers to meet one another. It's on Thursdays in term-time at 10am. We start with playtime and refreshments in the Trinity Room, then go into church where the little ones ring the bell, we light our candles and have songs and a story and simple prayers.

Then time for crafts and tidy up before leaving at 11.15am.

Children's Praise

Sunday mornings aren't convenient for everyone, as children often have sports or other family activities. So Children's Praise is designed especially for babies, tots, primary children and their families. It's at 3pm on a Sunday afternoon, once a quarter, for just half an hour, followed by a chance to socialise. The worship is short, lively and fun and sitting still and silent is absolutely not allowed! The actions can be a bit of a work-out, but there's always a therapeutic cuppa afterwards!

Sunday worship

Children matter to us and we hope that their families will feel relaxed and confident in being part of our worship. Children can join in with Junior Church, play in the children's corner or sit with you in the pew (with an activity box if they'd like one).

Junior Church

Junior Church meets most weeks during the Sunday 10 o'clock service so the children can explore Bible stories, pray and play together, and get creative. We want them to know God loves them, and it's a great place to make friends.

Holy Communion

We encourage children to play a full and active part in our worship. We have regular courses of preparation to receive Holy Communion (from age 7), and encourage them to use their gifts as readers, servers etc as they feel able.

Teenagers

As children face the growing challenges of the world, we try to support them with social activities and spiritual discussion appropriate to their age, including a Sunday evening youth group.
