

## **Blue Christmas**

Christmas is a difficult time for many who are carrying pain, grief and loss. The whole world seems to be celebrating, and we feel alone and out of step.

This service is a short, outdoor worship offering hope - light in our darkness.

The Light up a Life tree of remembrance will be lit during the service, and the church will be open for quiet contemplation.

## **Carols by Candlelight**

A service of readings, prayers, and Christmas music including familiar carols, recorded in the church and available to view on our YouTube channel, premiered at 6.30pm on 20th December.

## **Children's Crib Services**

Instead of our usual packed church, we will have to play things differently this year. We will be offering a short crib service for children and families, with some recorded carols and a Playmobil nativity on the big screen. It will be on a 'rolling programme' every 20 minutes or so from 2pm to 4pm. There will be a one way system and as you leave you can visit the manger. If you don't want to come into church you can see a recorded version on our YouTube channel, premiering at 2pm

## **Midnight Mass**

This traditional service of the first Eucharist of Christmas begins at 11.30pm. It will be live in church - seats on a first come, first served basis.

## **Christmas Day Communion**

A celebration of the birth of Christ for all the family, with Communion. Again seats are first come, first served and the service will be live streamed for those who would prefer to watch from home.

If you are joining us in church at any time, please wear a face covering, sanitise your hands as you enter and follow the stewards' guidance.

Do not attend if you have any Covid symptoms. Thank you.
